1. News and updates

Student writing project from undergraduate Stacy Andrews on recycling has been incorporated into our website

Donation from Strategic Technology Concepts

Company want to donate \$1000 to support Outdoor Classroom and Garden. We need to specify a project, signage is the most likely option.

Waste Oil Recycling

Solar Panels on Poetry Center garage, preliminary work being done to ascertain cost. Also looking into the possibility of using it to charge electric vehicles.

Provest Stimulus Grants

\$5000 awarded for sustainability interns and faculty ambassadors, sustainability fellows from K-12 schools working with ACEER.

Bucknell PERC Meeting

NSF Sustainability Science Update (meeting at Bryn Mawr on 18 May 5:30-8:00 pm)

2. Earth Week roundup

Reflections

Lessons for #41

Need more student involvement. Get it mentioned early in the academic year so the students know about it. Goose Creek clean up was very well attended. Maggie Tripp got the people to turn out. An alley clean up in the Borough might get people involved. Saturday event very well attended. Projects could have an end date of Earth Day rather than 30 April.

3. Joint Sustainability Task Group Start-up

4. Green Legacy Presentation

Database will be live and constantly updated. Links to report will go up on web site.

4. Discussion items:

Budget

More money for student interns, support sought for Sustainability Co-ordinator and other projects as detailed.

STARS should be started to get baseline data, it does not commit us to any certain action.

SAC - What is it, who is it?

Work on new list of appointed members, including appointed student members while not excluding membership from other who would like to join out of interest and enthusiasm.

Do we need another meeting next week? Yes, 10 am in Philips lower level conference room.

RFP for "Pilots to Support the Goal of the University"

Building Dashboard in a COE building

ASSSHE 2010 Conference in Denver, should we submit something?

Digital signage, training is easy and recommended.

5. Any Other Business
